

# 8 ways to partner with AFCNA

## PROFESSIONAL: Share your professional knowledge to keep members up to date

We want sector leaders to keep members up to date in acute care, aged care, disability care, palliative care, chronic conditions, mental health, spiritual care, pastoral care...  
If you can be a sector leader we'd love to chat with you about how you can support us.

## FACILITATION: Share the opportunities of adding a health focus to pastoral care

We are preparing speaker kits, online resources and communication tools so we need influencers to be willing, gifted speakers. We also need help preparing inspiring materials e.g. videos, podcasts, webinars, social media campaigns, etc. Let us know how you can help.

## EDUCATION: Support us to prepare Faith Community Care workers

We want on-line resources for our workers. There are significant costs for education such as software licenses, website hosting/upgrading, platform fees, Zoom conferencing. If you have education or technology skills you can gift or provide at low cost, we want to hear from you.

## MEMBERSHIP: Become a member and invite others to join in Faith Community Care

AFCNA is a charity run entirely by volunteers. We need committed members' to offer their time, talent and treasure to support our work. Your entire donation resources the mission and ministry. We need members to invite others to join us so we can care for our community.

## PROMOTION: Keep promoting Faith Community Care to churches and communities

We need a marketing plan and fresh promotional material. If you have graphic design expertise or marketing skills we'd love your assistance. If you can be an influencer in your own area, then talk to AFCNA about how we can work together.

## CONTINUING PROFESSIONAL DEVELOPMENT: Grow AFCNA's education hub

We want to provide quality, affordable, Christ-centred education for Faith Community Care. We want people with health care education and theology expertise, and lived experience to give time and expertise to developing short courses.

## SUSTAINABLE MODELS: We want contemporary models of Faith Community Care

If you have business acumen to support development of sustainable income streams that do not rely solely on volunteers we need your expertise. We are also investigating aged, disability and community care funding models for future funded models of care.

## PASTORAL CARE AND PRAYER: We need prayer warriors to uphold AFCNA ministry

Pray for us daily. Join our AFCNA prayer network to sustain this ministry. We also want to reactivate AFCNA volunteer mentor/chaplain role to provide member care.

If you can support us in any of the above, or if God is prompting you to help in some other way then please email us at [afcna@outlook.com](mailto:afcna@outlook.com) and we will get back to you to chat further.
