

8 ways you can partner with the Australian Faith Community Nurses Association

PROFESSIONAL: Share your professional knowledge to keep members up to date

We want sector leaders to keep members up to date in acute care, aged care, disability care, palliative care, chronic conditions, mental health, spiritual care, pastoral care... If you can be a sector leader we'd love to chat with you about how you can support us.

FACILITATION: Share the opportunities of adding a health focus to pastoral care

We are preparing speaker kits, online resources and communication tools so we need influencers to be willing, gifted speakers. We also need help preparing inspiring materials e.g. videos, podcasts, webinars, social media campaigns, etc. Let us know if you can help.

EDUCATION: Support us to prepare Faith Community Care workers via education and networking

We want on-line resources for our workers. There are significant costs for education software licenses, website hosting and upgrading, platform fees, Zoom conferencing etc. If you have education or technology skills you can gift or provide at low cost, we want to hear from you.

MEMBERSHIP: Become a member and invite others to join us as we develop Faith Community Care

AFCNA is a charity run entirely by volunteers. We need committed members' to offer their time, talent and treasure to support our work. Your entire donation resources the mission and ministry. We need every member to invite others to join us, so we can care for our community.

PROMOTION: Keep promoting Faith Community Care to churches and communities

We need fresh marketing and promotional material. If you have graphic design expertise or marketing skills we'd love your assistance. If you can be an influencer in your own 'patch' then talk to AFCNA about how we can work together.

CONTINUING PROFESSIONAL DEVELOPMENT: Grow AFCNA's education hub

We want to provide quality, affordable, Christ-centred education for Faith Community Care. We need people with healthcare knowledge, lived experience, and theological understanding to give time and expertise to short course development.

SUSTAINABLE MODELS: We want to have contemporary sustainable models of Faith Community Care

If you have business acumen to support development of sustainable income streams that do not rely solely on volunteers we need your expertise. We are also investigating aged, disability and community care funding models for future funded models of care.

PASTORAL CARE AND PRAYER: We need prayer warriors to uphold AFCNA Board and ministry before God

Pray for us daily. Join our AFCNA prayer network to sustain the ministry. If you can support us with member care or any of the above, or in other ways God is prompting you to help, please email us at afcna@outlook.com and we will get back to you so we can chat further.
